

Application No. 10/606,563
Amendment Dated 12/1/03
Page 3 of 3

REMARKS

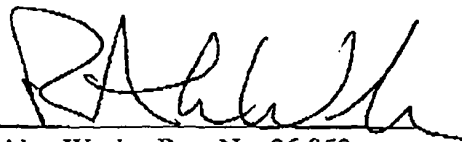

Applicant submits this amendment to correct the "Cross-Reference to Related Application" paragraph presented in the Preliminary Amendment filed with this application. The serial number presented in this paragraph was a result of a typographical error which was in turn entered on the Filing Receipt. A Request for Corrected Filing Receipt is also being presented to the Office of Initial Patent Examination. All other documents filed with this application, including the transmittal, the Application Data Sheet, the Notification of Filing a Continuing, Divisional or Continued Prosecution Application, the Declaration and Power of Attorney for Utility Patent Application and the first paragraph of the Preliminary Amendment and the first paragraph under "Remarks" of the Preliminary Amendment all reflect the correct cross-reference to Application Serial No. 09/912,077. Entry of this amendment is respectfully requested to correct the application.

No additional fee is believed to be due. However, if any fee is made payable by the filing of this paper, please consider this our authorization to charge the Deposit Account of the undersigned, No. 06-0540.

Respectfully submitted,

Date: December 1, 2003
